

We're Back & Ready to Make a Difference

SUNDAY, OCTOBER 8, 2023

We are thrilled to announce the return of our Share & Care Foundation Make a Difference 5K Walk/Run, and we want you to join us! Our family-friendly event will raise funds for our Signature Programs. Each one strives to make lasting, sustainable change by partnering with NGOs on the ground in India to ensure we're creating innovative solutions to local problems.

You Can Make A Difference

Hosted by the Kids4Kids team, our goal is to raise awareness for all that our Share & Care family of volunteers and donors have done — and continue to do — to empower women, provide educational opportunities, and bring healthcare to remote communities. On October 8, we unite to celebrate four decades of service and raise funds toward our mission, and you can help!
