

On **MAY 14TH**, HONOR *the* **MOTHERS WHO TAUGHT *us to* HAVE... HOPE.**

Meet Pushpa Patwa, a SPRJK Trust student in Maharashtra, supported by Share & Care's Educate 2 Success and Kids4Kids programs. As Mother's Day approaches, Pushpa chose to share her story of loss and darkness and how her mother set an inspirational path forward for their family.

A Note of Admiration and Appreciation *from* Pushpa

“ I am Pushpa Patwa, 15 years old. I have recently appeared for my 10th grade standard examination. On June 7, 2022, I lost my father due to cardiac arrest. His demise came as a heavy blow on our family. It was the most difficult phase of my life. My father was the only earning member of the family. At the time of my father's death my mother was 4 months pregnant. I have a younger sister who is 7 years old. Everything looked dark in front of me. I did

not know how things would be ahead of us.

Though I know my mother was in deep pain herself, she was the one who used to constantly tell me not to lose hope and study hard for my exams. She would constantly tell me, "Education is the only way forward." She taught me hard times can be overcome and that losing battles can be won. She has set an inspirational example for me — teaching me how to live life and make wise choices, even in the most uncertain situations.

On this Mother's Day, I wish to tell my mom that she is the guiding force in my life and I thank her for supporting and motivating me. I also thank my school, teachers, and Share & Care for encouraging and supporting me. As a result, I was able to appear for my 10th grade examination without any hassles. I also promise you Mom that I will focus on my studies and will make you proud in the future."
