

**Today we celebrate the spirit and strength of all mothers.**

A mother's love is a force to be reckoned with – No one knows that better than Aabha Sharma, who is receiving schooling through SPRJK Trust in Maharashtra, funded by Share & Care. This Mother's Day, hear directly from Aabha.

### A Heartfelt Message *from Aabha*

“ I am Aabha Sharma studying in 10th grade. I am 15 years old. We are a family of 6 members. I stay with my 3 siblings, father, and mother. My mother is the only working member of the family. She works in a garment factory. My father is unable to go to work as he is not in good health. It has been my mother who has been the backbone of the family. Her constant support and motivation have played a tremendous role in my life.

My mother is the epitome of selfless love. She is the guiding force who has helped me progress on the right path. She is the one and only

on the right path. She is the one and only woman in my life that I am deeply indebted to. She always encourages me to face the tempest and never quit any problem that comes across my path. On this Mother's Day, I promise my mother to put in my best efforts in any work that I undertake.

I, as her daughter, will do my best to make her happy and comfortable all the time, especially when she is upset. It is my responsibility to bestow her with the same amount of love, care, and understanding that she has showered on me when I require it."
