

Register NOW for our virtual poker night fundraiser! Registration ends May 24.

[Join us Wednesday](#) as we celebrate our 40th year of humanitarian service with our “Fun for 40” Poker Night.

We are thrilled to announce that an anonymous donor will be matching up to \$15,000 for a digital school lab to serve more than 500 students in Uttar Pradesh.

Double your donation's impact during our virtual poker tournament on **Wednesday, May 25, 2022 at 8 p.m. ET.**

Try your luck at winning valuable prizes while supporting individuals in need across India. We suggest a donation of \$50, but additional gifts are, of course, welcome. **Look what your donations have the power to do!**

- **\$100 empowers one mother and her child** with pre- and postnatal care through our Healthcare 2 Unreached program.
- **\$130 empowers one at-risk child under age 13** with a secondary education through our Educate 2 Success (E2S) program.
- **\$360 empowers one woman** with livelihood training and equipment, plus gender equality and self-defense education through our Women Empowerment (WE) program.
- **\$500 empowers five marginalized female students** with safe lodging, education, and training for personal growth through our E2S and WE programs.

- **\$1,000 empowers one bright, low-income student** with a college scholarship through our Educate 2 Graduate program.
- **\$5,000 empowers one village** and up to 5,000 individual villagers through our Village Upliftment program.

Are you ready to go all in? Join us in support of those in need in India. Registration ends May 24th. We look forward to seeing you around the poker table!
