About “Reflections of Kutchh”

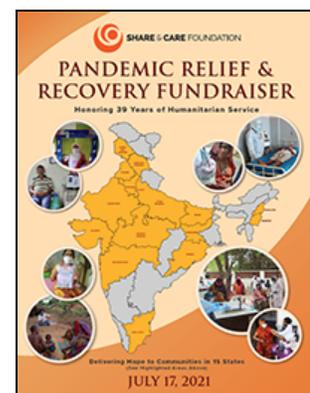

When we set out to host this unique and inspiring event, we wished to create an event to thank Share & Care donors for their support while providing a bright moment during a dark period and showcasing the work of our Signature Programs. “Reflections” sets soulful Gujarati songs against the great white Rann of Kutchh, the villages of Bhuj, the bustling tent city, and the harsh brown desert. With artists including Parthiv Gohil, Manasi Parekh Gohil, Jahnvi Shrimankar, the Nandy Sisters, and many more top performers, this musical event brings alive the spirit of Gujarat. We’ve received so much praise for the program from those who viewed the original performance, with patrons stating that it exceeded all expectations.
