About the Gala

The theme of the show (**Rising Together**) recognized the changes and challenges presented by the pandemic and honored the bonds of humanity and hope that connect communities around the world. Over 550 patrons “attended” the Bollywood musical extravaganza and joined us in celebrating our achievements in 2020 — such as raising over half a million dollars (including \$100,000 worth of saris during our Sari Drive to benefit marginalized women).

“Last night, my wife and I were privileged to watch your very special music extravaganza. Undoubtedly, this was the best virtual music show we have ever seen! The entire music program made us feel good, it brought smiles on our faces and joy in our hearts! You Truly Cared and You Definitely Shared! In the end, we all said ‘Wow!!!!’ Now, each listener will connect even more closely with the Share & Care Foundation and its years of ‘Projects with Purposes’! ‘Rising Together’ will not only be a dream, it will be a reality!”
