

SHARE & CARE WOULD LIKE TO WISH
YOU AND YOUR LOVED ONES A JOYOUS AND BRIGHT

DIWALI

TO CELEBRATE THIS FESTIVE DAY, WE'RE SHARING
ONE OF OUR FAVORITE STORIES WITH YOU.

Suraj Gohel was born in a small village in the Rajkot district of Gujarat to a tailor father and housewife mother. Showing academic promise from an early age, his excellent grades and hard work secured his admission to the prestigious Institute of Rural Management.

Suraj received a **Share & Care Educate 2 Graduate** scholarship and graduated with his Master's degree in Business Administration. He is now working at Vistaar Finance and earns an annual salary of Rs. 1 million, breaking himself and his family free from the cycle of poverty!

While Suraj appreciates the financial support he received for his education, he is most grateful to have learned the importance of charitable giving. **He now plans to pay it forward by donating to help deserving students achieve their dreams, just as he was helped to achieve his.**

Share & Care beneficiaries like Suraj are sharing light in their communities every day. **When we help just one individual, we empower them to create a ripple effect of goodwill that extends far beyond us.**

**This Diwali, join Suraj in sharing light
with those who need it most.**
