

RUNNING FOR A REASON: How our 5K Run Raised **OVER \$50,000** for Rural India

Share and Care Foundation is proud to share the astounding success of their most recent 5K run fundraising event which took place at Overpeck County Park on October 8, 2023. More than a hundred runners, walkers, community members, donors and volunteers came together for the event bringing in over \$50,000 in donations.

"The event raised funds, boosted community morale, and allowed people to collectively help their society, creating a bond like none other! More than that, it was a really fun event overall!" — Aarav Gandhi, Newsletter Secretary

We are extremely grateful for all of our sponsors and volunteers who made this event possible including our sincere appreciation towards Peerless Beverage for their kind donation of water bottles for the run, which helped to keep participants hydrated and their spirits high. We also want to extend a heartfelt thank you to CMEK for their raffle basket donation!

With the commitment of our volunteers spanning multiple generations and state lines, this outstanding accomplishment was made possible. We also wanted to highlight one particular group of volunteers – Share & Care Kids4Kids (SCFK4K). This group comprises over 65 dedicated and passionate New York/New Jersey students aged 12-18, working to support Share & Care Educate 2 Success (E2S). They did an incredible job organizing, marketing, and promoting the run.

Share and Care Foundation remains devoted to its vision of improving rural India's quality of life, and the overwhelming support demonstrated during this 5K run highlights the significance of our group's work. When we collaborate, we affect change and give hope to underserved communities.
