

JOIN US IN CELEBRATING PROGRAM SUCCESSES.

As the year begins to wind down, we are reflecting on 2021 with grateful hearts for the work we have been able to perform this year. **We're pleased to share with you our end-of-year newsletter** detailing some of our program successes, sharing stories from our beneficiaries, and giving a glimpse into our vision for the future.

We know it is through the continued support of our donors, volunteers, and advocates that we have had such great success these last 39 years. With your help, our Signature Programs continue to perform crucial work in India by:

- Ensuring college students have the resources they need to complete their degrees through **Educate 2 Graduate**;
- Making secondary education possible for bright but underprivileged students through **Educate 2 Success**;
- Bringing lifesaving healthcare to remote communities through **Healthcare 2 Unreached**;
- Empowering and supporting marginalized women and girls through **Women Empowerment**; and
- Cultivating sustainable solutions to widespread problems through **Village Upliftment**.
