

REMEMBER SHARE & CARE ON GIVING TUESDAY

Mark your calendar! Giving Tuesday is December 1.

“I alone cannot change the world, but I can cast a stone across the waters to create many ripples.”

—Mother Teresa

Whether you're planning to make a charitable donation on Giving Tuesday as part of your annual year-end giving, in memory of a loved one, or as a heartfelt holiday gift, we invite you to keep Share & Care and our beneficiaries in mind.

A Reason to Give

Want to learn more about the impact of your donation? Our [newest video](#) (which includes a message from actress and philanthropist Shabana Azmi) illustrates how our programs have helped people not only in 2020, but throughout the nearly four decades since Share & Care began.

With a gift to Share & Care, you can help us deliver relief and rehabilitation to thousands of people affected by the COVID-19 pandemic. You can bring lifesaving healthcare to mothers and babies, and enable our volunteers to cultivate sustainable solutions that will uplift entire villages. You can empower marginalized women with opportunities to earn a livable wage, and provide at-risk students with resources to stay in school and pursue higher education.

Your tax-deductible gift will create real, lasting change for people in need — and every donation makes a difference.
