

# GIVING TUESDAY

## Your donation will be **MATCHED!**

Today we celebrate Giving Tuesday, a global holiday that kicks off the year-end season of charitable giving. On this day, people around the world contribute to causes close to their hearts — which makes this occasion especially important to us.

At Share & Care, we are committed to bringing education, healthcare, gender equality, and other fundamental rights and lifesaving resources to society's most marginalized individuals. **That's why we've set a goal to raise \$50,000 by December 31, starting today.**

Plus — **all contributions toward this goal (up to \$10,000 total) will be MATCHED** by one of our generous donors throughout the month. That means your tax-deductible gift can deliver hope to twice as many people in need.

Your gift will:

- Bring relief and rehabilitation to people affected by COVID-19
- Provide mothers and babies with critical healthcare
- Enable an at-risk student stay in school
- Send a brilliant yet needy scholar to college
- Empower women with training and resources to help them thrive
- Deliver sustainable upliftment for rural villages
- ... and so much more.
