

# Beneficiaries **VIDHI** and **TWINKLE** Share Their Gratitude for the Gifts You've Given

Two of our beneficiaries have special holiday messages to share with the Share & Care family. Hear from them below!

I am writing this letter to convey my honest and genuine gratitude and appreciation to you for sponsoring my studies. Your scholarship is priceless and will help me in my educational endeavors. I am profoundly grateful for your help. I guarantee you that I will make use of this opportunity to study really hard and to win a successful job. Your kind favor also motivates me to help others in need and will definitely do so in the future. Wishing you a magical and blissful holiday!

Yours sincerely,

**Vidhi Deepak Rajgor**

I am truly thankful to the Share & Care Foundation for giving me a scholarship. This generosity will go a long way in helping me. My father is without a job, and my mother does domestic work. Your scholarship will help me to study further without any difficulty. I will work hard and be a worthy winner of this scholarship. Thank you, once more from the bottom of my heart. Happy Christmas to all of you at the Foundation.

Yours sincerely,  
**Twinkle Solanki**

This holiday season, we urge you to remember those in need — especially our beneficiaries in rural India. Our goal is to impact 50,000 more people before 2023, and **a generous donor has offered to match year-end gifts up to \$20,000!** That means your contribution will do twice the good for beneficiaries like Vidhi and Twinkle.
